

## Field Trip Participation Agreement and Liability Release

Due to the state of emergency resulting from the COVID-19 virus, Littleton Gem and Mineral Club (LGMC) has adopted a policy that recommends persons who have underlying health conditions including heart disease, lung disease, kidney disease or diabetes not participate in club sponsored field trips at this time. In addition, we are asking all participants agree to the following terms and release LGMC from any liability associated with transmission of the virus.

I, \_\_\_\_\_ (Participant name) agree to the following terms and condition while participating in a field trip with LGMC.

### Transmission minimization efforts including:

- Wear protective gloves while utilizing digging tools and/or do not share your digging tools with other participants
- Practice social distancing between all participants, including non-immediate family members, LGMC trip leaders, and any other individuals encountered during the trip (forest rangers, etc.)  
**\*Proper Social Distance means  $\geq$  6 Feet Apart\***
- When possible utilize hand sanitizer and avoid touching your face.

### Risk Acknowledgment and Release of Liability

I acknowledge the existing risks of exposure to Coronavirus (COVID-19) while participating in a field trip with the Littleton Gem and Mineral Club, which includes potential serious illness or death. I voluntarily choose to participate in this LGMC field trip. I hereby release Littleton Gem and Mineral Club and its officers, activity leaders, representatives, members, and all other agents from any and all liability, claims, and demands which arise or may hereafter arise due to the aforementioned risks associated with COVID-19 while participating in LGMC field trip activities. I understand and acknowledge that this release discharges LGMC from any liability related to COVID-19.
